PAVCon Europe 2022 Austria 7-8 June 2022

The event to be held by PAVCon Europe in the hangar of Airborne Technologies GmbH, Viktor-Lang-Straße 8, 2700 Wiener Neustadt, Austria on 7-8 June 2022. It is planned to hold a one day training event off site in a hotel on Monday 6 June 2022. This is also the day when exhibitors arrive at Viktor-Lang-Straße to deliver and set up their displays.

Full dates when it is expected that international travel delegates may be present in area and using hotel rooms are Saturday 4 June 2022 to Saturday 11 June 2022. International delegates tend to stay in the area before and after the event.

The nearest airport is Vienna International Airport, 65km/26 miles from Wiener Neustadt. Travel from Vienna International Airport, to Wiener Neustadt is via S Autobahn/E59 a road journey expected to take 45 minutes.

Taking the train is nearly as fast with a 55 minute direct journey time to Wiener Neustadt Hbf but these direct trains are significantly less frequent and at a cost of around €20 more expensive than other options.

Combining the use of a bus or train [R] Rjx] from the airport to Vienna Hbf followed by a train into Wiener Neustadt Hbf is cheaper and the service is every 30 minutes. Actual prices depend on the Vienna to Wiener Neustadt Hbf service selected.

A taxi from the airport to Wiener Neustadt will cost around €120, about the cost of one day of basic car hire.

GA aircraft and demonstration aircraft are welcome to fly into the host airport on a prior permission basis, details on application.

At the time of completing this guide Austria was in an extended Covid lockdown so details on hotels specific to the June dates are sparse. Hotel rooms will vary from €50-150 nightly.
